Dear Sir:-

I duly received your letter dated August 25th and we were all sorry to learn of your great affliction. We can understand what a great loss this must be to you with a family of six children ranging from 12 years to 4 months.

On Sept 23rd I wired you post Ga to the effect that Company would advance the amount required about \$1500 currency (\$600 gold) on the conditions named in your letter.

I have carefully noted your postscript and sincerely hope nothing will happen requiring such action.

Very truly yours,

*J. A. Scrymgeour*  
Secretary.
